APPRECIATION FOR RECYCLING CENTER VOLUNTEERS

Commissioner Hanson suggested that the City do something in order to show appreciation for the recycling center volunteers. He will get some ideas of what would be appropriate, but it would probably be something in terms of a gift certificate to the mall or a restaurant.

POTENTIAL COLLEGEDALE DOG PARK

City Manager Rogers explained that there is a dog park that just opened up in Apison, three miles from where the City was planning on putting ours. He suggested we do not put one up, since we are so close to the new one. Commissioner Hanson suggested that a dog park on the Wolftever Greenway would be a lot more convenient. They will further discuss this issue in the future.
